

## Job Description

**Job Title: Finance Analyst**

**Location: Head Office - Abingdon**

**Department: Finance**

**Position Reports To: Financial Controller**

### **Company Overview**

Gigaclear is a fast growing, game changing builder and provider of pure fibre broadband services to residential customers and businesses in England. We have an ambition to make a significant difference to the broadband landscape in rural England and improve our customers lives through the provision of world class broadband services.

The finance team supports the business by providing insightful reporting to support business decision making.

### **Purpose of the job**

The Finance Analyst supports the senior finance team on a day to day basis and at the month end.

The role contributes to the delivery of the management accounts to the board of directors on a timely basis to allow and support board and business decision making.

The role is also responsible for preparing analysis on network build, network profitability and departmental reporting and forecasting.

### **Key Accountability & Responsibilities**

- Analysis of network profitability and network build, including CPPP (cost per premises passed)
- Departmental reporting and forecasting
- Business partnering with various Heads of Department to problem solve underlying and ad-hoc business issues
- Analyses of operating and capital spend
- Any other ad-hoc duties as required

### **Knowledge & Skills**

- Strong Excel skills (Pivot tables, Vlookups, etc)
- Proactive with a can-do attitude and a strong eye for detail and accuracy
- Inquisitive mind, able to identify questions to ask and find solutions to issues
- Good communication skills
- Ability to manage and prioritise competing tasks in a fast paced and busy environment
- Positive and enthusiastic attitude and a desire to learn
- Telecoms/infrastructure experience with Broadband focus desirable but not essential

## **Qualifications & Accreditations**

ACCA/CIMA/ACA qualified or part-qualified studier (qualified by experience will be considered)

## **Our Values**

- We are effective and passionate in what we do
- We are speedy and responsive to colleagues and customers
- We are clear and open with all
- We deliver a transformational experience
- We are in a shared endeavour and will succeed together
