

FINANCIAL PLANNING ANALYST

Join the brand that is transforming rural areas with ultrafast full fibre broadband. We're the team where talented people are encouraged to thrive and enhance their career.

Powered by brilliant people with bright ideas, we want to hear yours. Our success is driven by your creativity, collaboration and commitment.

Our Financial Planning & Strategy team is driving our expansion strategy through the ownership of the business plan, the provision of insights and forecasting activities.

The main purpose of the team is to define and deliver a strategic plan for the business from pooling diverse financial and operational data (maps, costs, commercial penetration). A key objective of the team is to develop trust with investors in our ability to deliver the plan, to obtain new debt funding.

You will help to provide insights on strategic decisions through forecasting activities and impactful analysis.

The role will specifically aim at: challenging existing processes and decisions, to drive change, from analytics and ensure Gigaclear can meet its growth ambitions effectively and efficiently.

You are ambitious, an expert in your field with the tenacity to succeed. You will be able to demonstrate the essential criteria whilst bringing your own passion and ideas. Some of the key skills you will possess are:

- Strong financial modelling skills with proven experience assessing new business opportunities
- Ability to understand "big picture" business issues, recommend and implement Operating Model Change
- Exposure to corporate finance e.g. fundraising, debt modelling/banking cases and valuation
- Exceptional energy, curiosity and creativity with a passion to visibly contribute to rapid commercial growth
- Proven track record of dealing effectively with senior stakeholders with a depth of experience in the development of business cases
- Exceptional analytical ability and someone who is able to 'join the dots' when performing analytical tasks
- Effective communication skill with the ability to communicate complex and technical issues clearly and succinctly

You share our values. They make us who we are:

- **Find a way:** Always working together to deliver market-leading solutions and provide customer service excellence to our communities
- **Be committed:** We are all accountable for our actions and work relentlessly with our many customers to deliver on our promises
- **Do the right thing:** We always base our decisions on what we believe is fair, considerate and in the best interest of our customers and our colleagues
- **Keep it simple:** In an industry of complexity and confusion, we make things easy for everyone to understand

Culture & benefits:

We empower people to do what they do best; fast. We want you to bring you, so we don't 'fence' anyone in to a single way of working. You will get the latest news through our staff magazine, Gigabites, and monthly company updates (food can play a major part in this!). You are living and breathing our values, so your colleagues may nominate you for our Star of the Month award. If you win you get an extra day's holiday. Like us, you probably like to get a bit social too. We have a weekly running club, Gigaclear FC plus two company socials a year, and more.

On top of this we offer great benefits such as, Study Support, Income Protection, Life Assurance, Pension and 25 days holiday (plus bank holidays).
